## To All Transfer Station Customers:

We accept waste from residents and businesses of Macon County – no other areas.

To comply with state regulations for disposal at landfills, we must ask that you sort your waste in the following manner:

- **Please bag all household trash** that is not recycled, including empty bottles and jugs of all types. **All bagged trash must be separated from other waste** and disposed in the Compactor Area. (Signs are posted for Bagged Trash)
- **Please sort** Electronics, Appliances, Metal, and Tires from Construction/Building Materials, Furniture Items, and Large rigid plastic items. (Where Signs are posted for Non-Bagged Trash)
- **Please tell the Attendant** if you have Paint, Antifreeze, Lead Acid/Rechargeable Batteries, Empty Propane Tanks, or Fluorescent Bulbs. These need to be handled in a more sensitive manner.
- If you have other waste not described here, please ask the Attendant about proper disposal **BEFORE** you unload.

The Transfer Station **DOES NOT** accept

- brush
- leaves or other yard waste
- auto fluids (except antifreeze)
- gas tanks
- explosives
- medical waste
- hazardous waste
- dead animals

**Disposal Rates:**

Solid Waste	\$55.00 per ton	>> Minimum charge is \$5.00
Tires	\$95.00 per ton	
Household Paint (liquid)	\$1.00 per can	

NOTE: Liquid Paint **CAN NOT** be disposed in the regular trash.

**\*\*This is a SMOKE FREE facility for your safety, as required by the state of Tennessee.** This facility provides waste disposal with Self-Service unloading. Persons with a disability should ask the attendant for assistance. Cover loads to prevent littering—It is a state law and punishable by fines. Please dispose of waste properly and responsibly.

**Recycling saves you money in disposal fees.**

We encourage you to use our red Recycling Bins for paper, plastic # 1 & #2, tin cans, aluminum cans, and cardboard. These are available for your convenience 24 hrs/7 days per week at no charge at seven public drop-off sites in Macon County.
